MAR 17 1956

Honorable Frank A. Dusch
Mayor of the City of Virginia Beach
Virginia Beach, Virginia

Dear Mayor Dusch:

Thank you for your letter of March 9, 1956, to Mr. Dulles, suggesting that we consider the possibility of selecting a site for the proposed Central Intelligence Agency headquarters building at Fort Story or Camp Pendleton, near Virginia Beach, Virginia.

As you may know, we have been considering the selection of a site for several months and some time ago it was concluded that the Central Intelligence Agency should be located much closer to the center of the Federal Government than the sites you have suggested. We have recently completed the procedures for site selection required by Federal statute and have decided to proceed with our plans to locate our new headquarters building on a tract of land presently owned by the United States Government at Langley, Virginia.

Your interest in this matter is appreciated.

Sincerely,

142

Signed

L. K. White
Deputy Director
